Kyle Thompson, PhD
Assistant Regional Superintendent of Schools
kthompson@roe11.org

Dear Friends of Education,

The enclosed Annual Report meets the requirement of Section 5/3-5 of the Illinois School Code and details accomplishments of the Regional Office of Education #11 and its Associated Programs for the 2017-2018 School Year. Our Regional Office plays an integral part in the delivery of services to 24 public school districts and the private/parochial schools in Clark, Coles, Cumberland, Douglas, Edgar, Moultrie and Shelby Counties.

Yearly, our ROE Office meets the mandates entrusted to us by the Illinois State Board of Education and the citizens of Illinois. The regulatory functions required by the Illinois School Code are met annually through compliance and Health Life Safety visits with our school districts.

Staff inservice training and school improvement activities are conducted through workshops and conferences. These are planned based on the needs identified by our districts. This year we partnered with Rotary International in providing five days of intensive training as a response to ongoing concerns about traumatized students and safety in our schools. The "International" training was facilitated by the Peace Learning Center and attended by fifty teachers, social workers, counselors and administrators, including nine educators from Jamaica. It was a thrilling and thought provoking experience that will lead to better relationships in our schools through the use of restorative practices and implementation of social emotional learning standards.

Additionally, Kyle and I wish to thank our county boards, Regional Board of School Trustees, Professional Development Advisory Board, parents, educators, and support staff who all work together to do what is best for our children. Our ROE #11 communities are fortunate to live where there is unwavering dedication and exemplary support to providing quality education for all.

Yours for Exceptional Schools,

Bobbi Mattingly
Bobbi Mattingly, PhD
Regional Superintendent of Schools

MISSION STATEMENT

Provide Services for Learning Using Excellent Leadership, Professional Development, and Student Programs

Bridges Regional Safe School Program

Students served	160
Students who earned high school credit/Advanced in grade level (100%), 6-8	111
