

Regional Office of Education #11

Dr. Kyle Thompson Regional Superintendent

Annual Report July 1, 2023 - June 30, 2024

Mission Statement Provide Services for Learning Using Excellent Leadership, Professional Development, and Student Programs.

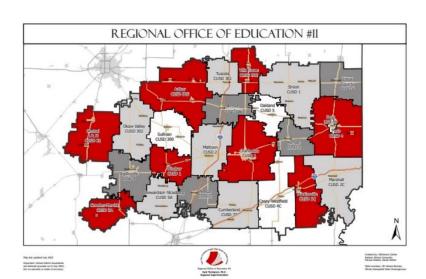

It is my honor to serve as the Regional Superintendent of Clark, Coles, Cumberland, Douglas, Edgar, Moultrie, and Shelby Counties. As a part of my legally required duties, I hereby submit the annual report of activities from July 1, 2023 through June 30, 2024.

This report, while not all-inclusive, is an overview of the services and collaborative partnerships engaged in by Regional Office of Education #11. It highlights the ways in which ROE #11 is an educational leader benefitting the schools and communities of East Central Illinois.

The information within this report has been compiled from

end of year reports detailing ROE #11 programs and services as well as data housed on the Illinois State Board of Education website. Every effort has been made to assure that the information contained is accurate and as comprehensive as possible.

What a year! Through excellent leadership, professional development, and student programs, the Regional Office of Education #11 continues to meet the needs of our students, educators, families, and communities across our vast region.

As we conclude the 2023-2024 school year, I am proud of the efforts of my team as they continuously stepped up to meet every challenge and overcome any obstacle. Together, we have shined brighter than ever in the areas of communications, community partnerships, licensure, professional development, testing, transportation, and youth services, to name a few.

As I visit school districts for any reason, I strive to engage with as many students and staff as possible. Perhaps the most common question I ask is, "How is your year going?" This year, from beginning to end, I was amazed at the virtually unanimous responses of, "This is the best year I've had in a long time," or better yet, "This is the best year I've ever had." Whether it was building administrators, veteran teachers, or school service personnel, all seemed to be having a great school year.

A unique opportunity for me this year was serving on the Vision 2030 Workgroup. This select group of approximately 100 educational leaders from across the State partnered to create a framework for Illinois' future with regards to student success, educator excellence, accountability, and finance and funding. The group met three times in person and once virtually. I look forward to the roll out this school year, as Vision 2030 will be a game changer for education moving forward.

Looking ahead, briefly, to the 2024-2025 school year, we are thrilled to once again be hosting YouTube sensation, Principal Gerry Brooks, offering crucial literacy trainings via Orton Gillingham and LETRS, and hosting the Regional Institute Day for all ROE #11 educators at Charleston High School and Mattoon High School. Additionally, we look forward to hosting our third annual Community Resource Luncheon at Lake Land College.

Our focus remains on empowering teachers, training school professionals, and ensuring health and safety compliance across our region – all with an unwavering commitment to prioritizing students above all else.

- Dr. Kyle Thompson, Regional Superintendent
